What have I been doing for the past 50 years? "ONE WORD" WORK, and I am still working and enjoy it. Have had a local "La Mesa" auto repair facility. The facility has been around since 1958 and I have owned it since 1978. Its name is **La Mesa Motor Clinic, Inc.** I have lived in the La Mesa area for the entire time , excluding military service. I have raised 4 daughters and 1 grandson. My kids have been generous with grandkids - 7 - and I enjoy all!!!!
