I have attended San Diego State where I earned 2 baccalaureate degrees and a Master's degree in educational curriculum. I earned a teaching credential and taught for 23 years in the Grossmont district where I also served for 13 years as a Vice Principal. While in college, I joined Sigma Nu Fraternity and served my chapter in several offices including president twice. I taught and was ASB Advisor and Vice Principal at Helix for 15 years where I renamed the buildings with Scottish place names. I have chaired visiting committees for the Western Association of Schools and Colleges Accrediting Commission for schools and have served several schools as an educational consultant. I currently teach graduate classes for teacher credentialing and student teacher at National University.

On the FUN side, I have led 10 tours to Europe, one of them being my honeymoon. When my wife, Janet, and I were married, we spent 31 days in Western Europe, and when we returned, we continued leading tours together for several years. We have 2 children, a girl and a boy, both of whom are now on their own. Both children have experienced Europe with us. We play duplicate bridge regularly, but we really enjoy continued travel at home and abroad. We recently completed a 10,700 mile trip to Alaska by motorhome that took from mid-May to mid-September. We enjoy both cruising and touring on land. It is normal for us to make 3-4 fairly lengthy trips each year.
