I graduated from San Diego State and got a teaching credential in Business Education with a Math minor. My marriage to Willy McMorrow in 1970 lasted for 7 years. We lived in Ramona and had one daughter, Anita. I taught math at Poway High School during that time. After the divorce and being off for 3 years to have Anita, I went back to teaching in the Poway School District but at the new high school in Rancho Penasquitos, Mt. Carmel. I made the move down to Penasquitos and taught Business classes for many years. Then typing, shorthand, and most business classes phased out and I changed over to the math department. Here I mostly taught Algebra 1-2 and Honors Algebra 3-4 until I retired. In 1987 I married my wonderful husband, Tom. We have now been married 27 years!!! Tom had a son, Kevin age 9 and by this time my daughter Anita was 11. It was a good match. Tom and I both retired in 2006 and have been doing a lot of traveling. We have been to: Alaska, Panama Canal, Venice, Rome, Greece, Spain, Turkey, Caribbean, England, Scotland and several more places. We love cruises. We also enjoy camping in our motorhome. Last summer we traveled for 7 weeks to see Bryce, Zion, Salt Lake City, Mt. Rushmore, Branson, Arches Nat'l Park, etc. Our church group has an RV club and we go somewhere every other month. Anita lives in Cary, North Carolina with her husband Andy. They have given us 4 grandchildren now. Kevin lives in Laguna Beach with his wife, Rachelle. They have been married for 3 years and tell us that grandchildren are in our future.
