First of all, I can't believe it has been 50 years since we graduated. The years have passed by so quickly. After high school I attended Grossmont College and graduated in 1967. I got married in 1967 and was married one time for 16 years. I lived in Albuquerque, New Mexico for around 10 months after I was married. I have two wonderful sons Brian (almost 41) and Jason (37) and two sweet and loving granddaughters Kiaya (18) and Calli (14). Kiaya graduated from Granite Hills in June of this year and Calli will be a sophomore at Granite Hills in the fall.

I have worked for the Albuquerque Public Schools, the Selective Service, the Grossmont Union High School District (El Capitan High School), and the County of San Diego. I worked for the County of San Diego for 26 ½ years and retired in June, 2011. The last fourteen years I was with the County I worked for Children's Mental Health as an Administrative Secretary. I enjoyed my job and the people I worked with. I must admit that even though I have retired, I still miss working at times and I especially miss the wonderful people I worked with.

I currently live in La Mesa and I am enjoying my retirement. I feel so fortunate and blessed with my life. I wish the best always for all of you "64" grads and look forward to our next reunion.
