50 YEARS IN 250 WORDS:

SDSU, Zoology/

La Mesa, married Bob Martin, spouse #1/

New Orleans, Tulane, cancer research assistant/

Baltimore, cerebrovascular research/

Back to California, son #1- Rob Martin (aka Speedee)/

L.A., Torrance Memorial Hospital, mumps virus research/

UCSD, more virus/

Salk Institute, hot "new" research called Molecular Biology/

PhD '81, UCLA Molecular Biology Institute, brain viruses/

Met/married spouse #2, Tony Young/

Stanford postdocs, daughter #1, Christen L. Young/

Chicago (Highland Park), Abbott Labs, Hepatitis/AIDS virus diagnostics, son #2, Dylan Young/

Columbus Ohio, Abbott Nutrition, Tony is an Institute Director at The OSU in Neurobiotechnology/

Stayed in Midwest raising delightful kids over 25 years:

Rob - SDSU Finance grad with REI and San Diego real estate (Century 21), drags his mom to scariest ski runs on the mountain;

Dylan - Manager with McD, still in school, collegiate rowing national champion with Orange Coast College;

Christen - Stanford and Yale Law graduate working on ObamaCare in the White House/

Retired 2013; started small business in Biotechnology Consulting and Clinical Research/ Still skiing (virtually every year since 1955) at Mammoth Mt with family (thanks Mom and Dad for starting us early); swim all summer; national champion coxswain for Greater Columbus masters rowing club, competing in US and Canada since 1995/

Over 33 years with Tony, still professor at OSU but he takes time to play guitar with his band, Monkey Rider/

Will settle back in SoCal and continue consulting business ASAP/ Grateful for continued health and travel opportunities/

Over 50 years an advocate for Women's Issues and Progressive Politics/

Currently no pets, grandkids, or farm animals/

Looking forward to the next 50!
