After Helix I worked in a dental office and discovered that I loved it. Started out as an extra doing sterilization, moved to assisting, obtained the necessary licenses, then up to office manager and teaching dental assisting. Married in 68 (Mount Miguel 65) for 24+ years. Lived in Germany for 3 years and have traveled back to Europe a few times. Have 2 boys: Tim in Encinitas and Jamie in Issaquah, WA. Jamie has my 2 grandchildren. Divorced and single for 11 years when Cupid struck with a poison arrow. Moved to Coos Bay-North Bend in 2004. That marriage was 4 years. Retired from...guess what...a dental office in 2013. Took my first cruise in 2011 and I'm hooked. Very involved with Zonta, an international organization promoting the health and well-being of women worldwide. I have my fingers in many pots as a community volunteer.
