After graduating from Cal Poly Pomona and serving two years as a draftee in the Army, I worked at SPAWAR Systems Center on Point Loma for 30 years where I managed several programs. At that point, I was not ready to retire, but needed a change. An opportunity came up working at Naval Special Warfare Command in Coronado where I've been now for 12 years. I've been married for over 40 years, and have three grown children, five grandchildren (with one more on the way) and four Golden Retrievers.
