I have lived in the San Diego area my entire life and married Barry Buffington (class of 1964) in 1963. We had three beautiful children; two sons and a daughter. I have six wonderful grandchildren. Barry and I divorced in 1976. Unfortunately Barry passed away in 1999 during complications from cancer surgery. I remarried in 1978 to my second husband who passed away from cancer after 25 years of marriage. I worked as an Executive Secretary for the Otay Water District for 16 years and retired in 1996 to a life of leisure and travel. I now live in the Rancho Bernardo area of San Diego near my twin sister Fran who lives in Poway. We see each other often since we are only a few miles apart.
