

Hello 1964 Scottie's,

We are waiting to hear from you. So far we have 155 people that say they are coming to the [Saturday night dinner](#) but have received very few payments. We have a room reserved at the Handlery Hotel and now need a financial commitment from you. To hold your reservations please send in your money as soon as possible. Please e-mail Manuel at manuelhhs64@yahoo.com after sending your reservations so that we can confirm that mailed reservations were received.

Also, whether you are coming or not, send in your biographies so Tom McClanahan has plenty of time to prepare them for posting on our '64 Class website. Just write them in paragraph form as a document and attach them with one or two pictures. Don't try to put it in the same format as Tom's example.
