I transferred from Grossmont College to SDSU and graduated in 1973 with a BA in art. While attending SDSU I worked as a clerk part time at Normandy Hat Shop, Penny's, Bazaar del Mundo and Montgomery Wards. I worked at Campbell Shipyard in accounts receivable. I got married in 1974 to a Navy man and had a son (Scott Szalkowski) in 1975. The same year my son was born we were transferred to Pearl City, Hawaii (Oahu). I got divorced in 1977 and Scott and I moved back to La Mesa. I then became distribution manager (managing 22 newspaper carriers in East County) for the Daily Californian. I enjoyed teaching art, water color, drawing, and pastel to kids at La Mesa and Santee Recreation Department. I was a real estate agent at Glenn Mitchel Realtors.

My Dad moved to Kona, Captain Cook, Hawaii in 1990 and Scott and I have frequently traveled and lived there throughout the years. My Dad had a house built in Hawaii and Kona coffee was growing there. We worked hard at growing and picking coffee. When we lived in Hawaii we liked to snorkel, loved luaus, lomi salmon and poi. I also worked at Avis Rent a Car at Keahole Airport, Kailua-Kona.

I have traveled to Western Europe and Mexico. Scott and I are members of the San Diego Corvair Club. We own a 1962 Corvair. We have been to several Corvair conventions. My favorite one was when we visited the Henry Ford Museum in Detroit, Michigan. Please contact corvairscott@aol.com if you are interested in Corvairs. Scott and I also have a 1966 Mustang. We enjoy car shows in La Mesa and El Cajon. The car shows bring back memories of the 60's.

We are lucky to have experienced being Helix Highlanders in 1964. I am currently a Mary Kay consultant and would like to give you a free facial. What do you say??
