What happened to that little cheerleader/songleader of the 60's? She is still cheering, but now more for children and parents. I have been blessed to have a life centered around people. Being a mother, waitress, teacher and preschool director has filled my life with opportunities to know some pretty wonderful people – 50% of them children!

I lost my first husband, Tom Hahn, to cancer in 1981 at the young age of 34. Our boys, Tommy and Scott, were 15 and 10. I knew I had to get back to school, so I finished my degree in Child Development and was fortunate to go to work for Children's World as a teacher and shortly a director. I stayed in Child Development as a director until 2010 when I retired from Early Explorations in Tierrasanta.

I have two grandchildren and one great-grandson. I ADORE them so! I married Tom #2 in 1999 and we enjoy family, friends and riding his Harley. In retirement I like to tend "my babies" in the garden, paint on old windows, read, occasionally sub at an infant and toddler center in El Cajon, close to home. I drive a 13 year old VW bug, live in a modest home, don't have a lot of money, but I feel very blessed for what I have had in life. See you at our 50th!
