

# El Capitan's Homesly Heads All-Grossmont Grid Squad

Ray Homesly, a tremendously competitive all-round performer on El Capitan's co-championship eleven, has been named the Grossmont League's Player Of The Year in the all-league football selections announced by the Breitbard Athletic Foundation.

Besides being a hard-hitting fullback who furnished that all-important inside power, Homesly was a crisp blocker and a smashing line-backer.

Homesly scored five touchdowns, kicked 14 extra points and one field goal and was credited with two safeties on defense.

El Capitan's other representative on the offensive team is halfback Dave Duncan, the only repeater from the 1962 all-league team. Duncan was an end last year.

El Capitan, Helix and Mt. Miguel tied for the Grossmont League title with 5-1 records and El Cap was elected to represent the league in the San Diego Section CIF class AA playoffs. Complete selections:

## Vinton Mulls Coaching Job With Gorrie

Warren Vinton, No. 1 assistant football coach at Helix High, like his boss before him, is faced with a choice between moving up into a tougher league or remaining within the comparative security of an established and successful athletic organization.

Dick Gorrie, Helix' highly successful head football coach of the last eight seasons, has announced that he has accepted the head coaching post at Santa Ana Junior College.

Gorrie, one of the two winningest prep coaches now operating in San Diego County, admitted that his decision to move up was a tough one in the light of his success and security here.

Vinton is the most likely candidate to succeed Gorrie as head coach at Helix, unless he decides to accept a place on Gorrie's staff at Santa Ana.

Meanwhile it is considered a certainty that Dick Gorrie's brother, Doug, head coach at Monte Vista High, and Bill White, assistant football and varsity baseball coach at Helix, will follow Dick to Santa Ana.

# CIF Playoffs To Open Friday

With two hairbreadth finishes and a league vote out of the way, the stage is set for the 1963 edition of the San Diego section CIF high school football playoffs.

The opening round of action will be Friday night, with the finals scheduled a week later.

The hairbreath finishes came about in the Southern and Grossmont leagues, with the later necessitating a poll of league members to determine a playoff representative.

Mt. Miguel's 20-0 upset of Helix brought about the vote, throwing the Grossmont lead into a three-way tie between the Matadors, the Highlanders and El Capitan.

El Cap, owner of the loop's best overall record (7-1), was selected Saturday morning after a poll of league members.

The Vaqueros will be matched with Eastern League champion Hoover (7-1-1) in a Class AA semifinal match at Aztec Bowl Friday night.

The other AA game will pit the county's two most statistically successful teams, Escondido and Kearny, at Balboa Stadium.

Unbeaten Escondido, the section's defending champion,

closed out its first perfect regular season in six years last Friday by beating Hilltop, 7-0. The victory was the Cougars' ninth straight and reversed their only 1962 league loss.

Kearny completed its best season in history Saturday night with a 52-13 drubbing of San Diego.

The victory was Kearny's eighth straight since a season-opening loss and its first over San Diego in 10 tries. The loss was the worst suffered by the Cavers in 43 years.

The area's other down-to-the-wire finish was in the Southern League, where Marian upset previously unbeaten San Miguel, 20-14, to gain a Class A semifinal berth against Poway.

Marian finished with a 5-2-1 record overall, while Palomar League champ Poway is 6-1-1.

The winner will face Avocado League champion Oceanside (6-3-0) in the finals.
